# STORIES of God's Love in Action

2011

STATE OF THE MINISTRY  
REPORT

**2011** was a year Greensboro Urban Ministry made significant progress in implementing strategies to reduce and end hunger and homelessness in our community. Closely collaborating with Partners Ending Homelessness and other Guilford County agencies, Urban Ministry has worked to prevent homelessness, divert people away from shelters to housing, and rapidly rehouse those who find themselves in our shelters. Our Emergency Assistance Program (EAP) has taken the lead in preventing homelessness by helping those in crisis pay rent, mortgages, or utilities, thus keeping them in their homes. EAP and our Beyond GUM programs work with those on our shelter waiting lists to find housing. This diversion avoids the need to move into Pathways, Weaver House, or Winter Emergency (WE!). Beyond GUM aims to rapidly rehouse our individual and family shelter guests into their own permanent housing. Over the past year, the average cost to rehouse a family was a little under \$1,200; an individual was around \$700.

2011 was the year our Board Property Committee identified and addressed several important issues. Our Lee Street building is nearly 20 years old. Our walk-in cooler/freezer is over 25 years old, so it is scheduled to be replaced in early 2012. One of our food bank trucks was replaced thanks to a donation from Morrisette Paper. Commercial washers and dryers and many mattresses at Weaver House were replaced. Our old Clothing Closet was converted into a WE! site to house 15 extra homeless men in the winter. Our back parking lot pedestrian stair entrance was rebuilt thanks to Dean Little's Eagle Scout project. A comprehensive replacement schedule for all property needs was completed which identified future projects, such as updating the Weaver House bathrooms/showers and adding solar hot water.

Nobody can deny that 2011 was another year of economic hard times. However, thanks to the support of a loving and caring community, Greensboro Urban Ministry was able to turn the darkness into light, bad news into good news, and blindness into sight. In Isaiah 58, the Lord tells us to "share our food with the hungry and open our homes to the homeless poor" and to "satisfy those who are in need." Another mission of Urban Ministry is to open the eyes of the materially blessed to see the needs of the poor, hungry, and homeless. Urban Ministry provided donors and volunteers an opportunity to give. Indeed, over 8,000 donors and over 2,000 volunteers gave more than \$3.5 million and 100,000 volunteer hours during 2011!

Bless you all!

# James' Story

BEYOND GUM &  
EMERGENCY  
ASSISTANCE PROGRAM

As his Beyond GUM housing case manager Brent Wilson walks him through paying his bills for the fourth month in a row, James Davis repeats his instructions, making sure that he knows just what to do the next time. Bill paying is something which comes as second nature to many of us, but it is a struggle for James. The quiet, mild mannered James is, in his own words, a “slow learner.” He never completed high school and has learned almost everything he knows from life experience.

After his mother's death, he lived for years on the streets, sleeping under an overpass and working for a day labor service. Eventually, he saved enough money to move into a motel, but was spending nearly eighty percent of his SSI check on housing, leaving precious little for food, clothing, or transportation. He was living well below the poverty level with little hope of changing his situation until he heard about Greensboro Urban Ministry. Through Beyond GUM and the Emergency Assistance Program, James was able to secure housing and is receiving the case management he needs to become self-sufficient.

Today, the man who slept under a bridge for twelve years is extremely proud of his apartment, which he shares with his beagle, Fred. He says he's “really happy” with his life and has great plans for a garden in the spring — he may even share his extra produce with his neighbors.

## One of Many Outstanding Volunteers

Congratulations to Ruth Anderson, one of thousands of outstanding volunteers at Greensboro Urban Ministry! Ruth has volunteered tirelessly at Partnership Village where she tutors young children. We appreciate her dedication, as well as that of the countless volunteers who serve through GUM's many programs.

## WHAT IS BEYOND GUM?

Beyond GUM, our housing first program, serves individuals and families who are experiencing homelessness, transitioning out of homelessness, or facing homelessness. Each family or individual receives case management and supportive services while in the program with the goal of achieving permanent housing stability. Originally started in 2008 as Beyond Pathways serving only homeless families at our Pathways Center, the scope of the program has expanded to include homeless individuals and those facing the threat of homelessness. Beyond GUM now not only implements rapid re-housing, and getting people out of homeless shelters into stable housing quickly, but also provides homeless prevention and diversion from shelters. Homeless prevention assistance can be given to help an individual or family pay rent, mortgages, or utilities to prevent homelessness in the first place and nullify the need for emergency shelter. Beyond GUM can assist a homeless person or family in finding permanent housing before having to go to one of our shelters (Weaver House, Pathways, or Winter Emergency). This process is called homeless diversion.

Beyond GUM has assisted **109** families and **30** individuals since September 2008.

# Anita's Story

WEAVER HOUSE  
& BEYOND GUM

Looking death in the face and winning despite the odds brought a deeper faith and determination to 56 year old Anita Gilmore, a former Weaver House guest and Beyond GUM participant, who has now overcome homelessness as well.

An accomplished career woman, Anita worked for years as a CNA, therapist, and case manager. In 2009 Anita found herself on the receiving end of services when she survived an aortic dissection repair. Having miraculously survived the surgery, Anita was left with serious medical complications. Unable to work, Anita soon became homeless. That is when she entered Greensboro Urban Ministry's Weaver House Night Shelter.

Despite continued medical issues, Anita worked with Beyond Gum housing case manager Brent Wilson to locate stable housing. With the assistance of the Beyond GUM program that assists with the necessary deposits, Anita was able to move into an apartment. With immediate housing needs met, Anita began working with Beyond GUM employment specialist Audrey Thornton. With Audrey's assistance, Anita completed classes offered through Goodwill and GTCC with perfect attendance and she now intends to earn a social work degree from North Carolina A&T State University.

Like many of our guests, Anita was plagued by unexpected medical issues which snowballed from a medical crisis to a life crisis. Through the Beyond GUM program, we are helping these individuals overcome homelessness and begin a path to future success.
