Independent Auditor's Report

To the Board of Directors
Greensboro Urban Ministry

Report on the Financial Statements

We have audited the accompanying financial statements of Greensboro Urban Ministry, which comprise the statement of financial position as of June 30, 2019, the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Greensboro Urban Ministry as of June 30, 2019, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matter

As discussed in Note 1 to the accompanying financial statements, Greensboro Urban Ministry adopted Financial Accounting Standards Board Accounting Standards Update 2016-14, *Not-for-Profit Entities (Topic 958): Presentation of Financial Statements of Not-for-Profit Entities* during 2019. The adoption of the standard resulted in additional footnote disclosures and changes to the classification of net assets and related net asset disclosures. Our opinion is not modified with respect to this matter.

Report on Summarized Comparative Information

We have previously audited Greensboro Urban Ministry's 2018 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated September 26, 2018. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2018, is consistent in all material respects with the audited financial statements from which it has been derived.

Greensboro Urban Ministry

Notes to Financial Statements

Note 1. Nature of Organization and Significant Accounting Policies

Nature of organization: Greensboro Urban Ministry (the Organization) is a nonprofit organization, which provides food, shelter and emergency assistance for families and individuals in and around Greensboro, North Carolina. The Organization's services are provided under the following programs:

Emergency assistance: Works with families and individuals in crisis to prevent homelessness. Emergency Assistance provides food and financial assistance to individuals and families in need.

Food distribution: Redistributes donated and surplus food from grocers, wholesalers, organizations and individuals to families and individuals who need food assistance. This program also offers a community kitchen called Potter's House that serves free, well-balanced meals on a daily basis to the needy in the community and the guests at the Weaver House.

Shelter: Shelter is provided through the following programs:

Pathways Family Shelter: Offers a temporary home to 16 homeless families.

Partnership Village: Provides transitional housing for individuals and families with supportive services and case management focused on obtaining permanent housing within two years.

Weaver House Night Shelter: Offers temporary shelter to homeless adults.

WE! Shelter: During the winter months, emergency shelter is provided at various sites for homeless single adults.

Chaplaincy: Offers a ministry of presence, counseling, volunteer service, prayer and worship.

Presentation: The Organization prepares its financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP). The Organization prepares its financial statements on the accrual basis and reports amounts separately by the two classes of net assets:

Net assets without donor restrictions: Resources related to the Organization's regular activities that are available at the discretion of the Board of Directors.

Net assets with donor restrictions: Resources that carry a donor-imposed restriction. Some donor-imposed restrictions are temporary in nature. A donor's restriction is met when a stipulated time restriction ends or a special purpose restriction is accomplished. As those restrictions are met, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions.

Other donor-imposed restriction on the use of the funds mandate that the corpus be maintained in perpetuity. This includes endowment funds.

Greensboro Urban Ministry

Notes to Financial Statements

Note 1. Nature of Organization and Significant Accounting Policies (Continued)

A summary of the Organization's significant accounting policies follows:

Cash and cash equivalents: For purposes of reporting cash flows, the Organization considers investments with an original maturity of three months or less to be cash equivalents. The Organization has demand deposit accounts in which the balances, at times, exceed federally-insured amounts. The Organization has not experienced any losses on these deposits and does not believe it is exposed to significant credit risk on cash and cash equivalents.

Receivables: The Organization records receivables at total unpaid balances, which approximate estimated fair values, net of allowances for doubtful accounts. The Organization determines past-due status of individual receivables based on contractual terms and generally does not charge interest on any past-due amounts. The Organization estimates its allowance for doubtful accounts based on a combination of factors, including the Organization's historical loss experience and any anticipated effects related to current economic conditions. Receivables that management believes to be ultimately not collectible are written off upon such determination.

Inventory: Inventory consists primarily of food contributed to the Organization. The inventory is recorded at its estimated fair value per pound.

Property and equipment: Property and equipment are stated at cost, unless donated. Donated property is recorded at fair market value on the date of the gift. Depreciation is provided on the straight-line method over estimated useful lives of the respective assets. Expenditures for maintenance and repairs that do not improve or extend the life of an asset are charged to expense as incurred; major renewals and betterments are capitalized to the property accounts. Upon retirement or sale of an asset, its cost and related accumulated depreciation are removed from property accounts, and any gain or loss is recorded. It is the policy of the Organization to review long-lived assets for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable.

Beneficial interests in endowment funds: Beneficial interests in endowment funds are recorded at estimated fair value as reported by the foundations holding the endowment funds.

Revenue recognition: The Organization recognizes unconditional promises to give in the period the contributions are received or promised, whichever is earlier.

Donated material and services: The Organization receives a significant amount of donated material and services, which do not meet the recognition criteria under GAAP. Accordingly, the value of these materials and services has not been determined and is not reflected in the accompanying financial statements.

Estimates: The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Income tax status: The Organization is a nonprofit organization that is exempt from income taxes under Internal Revenue Code (IRC) Section 501(c)(3). Accordingly, no provision for income taxes is reflected in the accompanying financial statements.

Greensboro Urban Ministry

Notes to Financial Statements

Note 1. Nature of Organization and Significant Accounting Policies (Continued)

Subsequent events: All the effects of subsequent events that provide additional evidence about conditions that existed at the financial statement date, including the estimates inherent in the process of preparing the financial statements, are recognized in the financial statements. The Organization does not recognize subsequent events that provide evidence about conditions that did not exist at the financial statement date but arose after, but before the financial statements are available to be issued. In some cases, nonrecognized subsequent events are disclosed to keep the financial statements from being misleading.

The Organization has evaluated its subsequent events (occurring after June 30, 2019) through September 30, 2019, which represents the date the financial statements were available to be issued.

Recent accounting pronouncements pending: In February 2016, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) 2016-02, *Leases*. The amendments in the update increase transparency and comparability among organizations by recognizing lease assets and lease liabilities on the balance sheet and disclosing key information about leasing arrangements. The amendments in the update are effective for annual financial statements issued for fiscal years beginning after December 15, 2019. Early application is permitted. The Organization is currently evaluating the effect that the updated standard will have on the financial statements.

In June 2018, the FASB issued ASU 2018-08, *Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made*. The updated standard clarifies and improves guidance around contributions of cash and other assets received and made by not-for-profit organizations (NFPs) and business enterprises. The standard provides guidance on whether a transfer of assets, or the reduction, settlement, or cancelation of liabilities, is a contribution or an exchange transaction. It also provides guidance on whether a contribution is conditional or unconditional and on differentiating a donor-imposed condition and a donor-imposed restriction. The standard should be applied on a modified prospective basis to agreements not completed as of the effective date or agreements entered into after the effective date. Retrospective application is permitted. Certain amendments in this Update are effective for annual financial statements issued for fiscal years beginning after December 15, 2018. The Organization is currently evaluating the effect the adoption of this standard will have on the financial statements.

Recent accounting pronouncements adopted: In August 2016, the FASB issued ASU 2016-14, *Not-for-Profit Entities (Topic 958): Presentation of Financial Statements of Not-for-Profit Entities*. The amendments in this update make several improvements to net asset classification requirements and the information presented about a nonprofit entity's liquidity, financial performance and cash flows. The amendments in this update were effective for the annual fiscal year beginning July 1, 2018. The Organization has adopted the provisions of ASU 2016-14. Implementation of this guidance resulted in a change in presentation and disclosure of net assets and additional disclosures surrounding the Organization's liquidity.

In August 2018, the FASB issued ASU 2018-13, *Disclosure Framework—Changes to the Disclosure Requirements for Fair Value Measurement*. The amendments in this Update modify the disclosure requirements on fair value measurements in *Topic 820, Fair Value Measurement*. The amendments in this update are effective for annual financial statements issued for fiscal years beginning after December 15, 2019. Early adoption is permitted. The Organization has adopted the provisions of ASU 2018-13 for 2019. Implementation of this guidance resulted the removal of the Level 3 reconciliation that is no longer a required disclosure for nonpublic entities.

Greensboro Urban Ministry

Notes to Financial Statements

Note 2. Inventory and Contributed Goods

Contributions to the Food Bank are recorded as contribution income in the statement of activities. Items received are primarily food that is charged to expense as served or distributed. A summary of inventory and contributed goods as of and for the year ended June 30, 2019, is as follows:

Beginning inventory	\$ 294,500
Contributions received	1,874,331
Amount served or distributed	<u>(1,854,026)</u>
Ending inventory	<u><u>\$ 314,805</u></u>

Note 3. Beneficial Interest in Endowment Funds

The Organization has made organizational endowment contributions to The Community Foundation of Greater Greensboro (the Foundation). The Organization has recorded its beneficial interest in these endowment funds in the accompanying statement of financial position in accordance with GAAP. Management currently expects to accept distributions recommended by the Foundation and may request additional distributions, but not donor-restricted principal, of these funds. Unless approved by both the Foundation and the Organization, endowment assets will be returned to the Organization only in the event of dissolution of the Foundation or if the Foundation fails to meet certain requirements of the IRC. No variance power was specifically granted to the Foundation, unless the Organization ever ceases to meet certain requirements of the IRC. However, these assets are administered under the provisions of the governing documents of the Foundation, which generally provide for the transfer of variance power in many cases to the Foundation. The estimated fair value of beneficial interests in these endowment funds as reported by the Foundation was \$1,990,783 at June 30, 2019.

Note 4. Property and Equipment

A summary of property and equipment is as follows:

Building and improvements	\$ 5,602,308
Vehicles	115,097
Furniture and equipment	631,245
Computer software	<u>35,274</u>
Total depreciable property and equipment	6,383,924
Accumulated depreciation	<u>(3,817,928)</u>
Depreciable property and equipment, net	2,565,996
Land	<u>835,330</u>
	<u><u>\$ 3,401,326</u></u>

Included in property and equipment are buildings leased to others with a cost of \$1,859,039 and accumulated depreciation of \$961,089 as of June 30, 2019.

Note 5. Line of Credit

The Organization has entered into a line of credit agreement allowing it to borrow up to \$1,000,000. The line of credit carries a variable interest rate based on the Pinnacle Base Rate plus 1.00% (5.5% as of June 30, 2019), except the rate cannot be less than 5.25%. There were no borrowings outstanding on the line of credit as of June 30, 2019. The loan agreement contains a liquidity and other covenants and expires December 31, 2019.

Greensboro Urban Ministry

Notes to Financial Statements

Note 6. Net Assets With Donor Restrictions

The following is a summary of net assets with donor restrictions as of June 30, 2019:

Restricted for purpose and/or time:	
Partnership Village Campaign	\$ 150,313
Building maintenance	115,340
Program activities	1,671,471
	<hr/>
	1,937,124
Restricted by endowment	1,990,783
	<hr/>
	<u>\$ 3,927,907</u>

Note 7. Endowment Fund

The Organization's endowment consists of a single fund established to support general activities and special projects. The endowment consists of donor-restricted funds. As required by GAAP, net assets associated with endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions.

Interpretation of relevant law: The Board of Directors (BOD) of the Organization has interpreted the North Carolina enacted version of the Uniform Prudent Management of Institutional Funds Act (UPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds, absent explicit donor stipulations to the contrary. As a result of this interpretation, the Organization classifies net assets with donor restrictions as endowment corpus: (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is not classified as endowment corpus represents the fair value of assets associated with individual donor-restricted endowment funds over the corpus that the donor or UPMIFA requires, until appropriated for expenditure by the Organization in a manner consistent with the standard of prudence prescribed by UPMIFA. In accordance with UPMIFA, the Organization considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- (a) The duration and preservation of the fund
- (b) The purposes of the Organization and the donor-restricted endowment fund
- (c) General economic conditions
- (d) The possible effects of inflation and deflation
- (e) The expected total return from income and the appreciation of investments
- (f) Other resources of the Organization
- (g) The investment policies of the Organization

Funds with deficiencies: From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor or UPMIFA requires the Organization to retain as a fund of perpetual duration. There were no such deficiencies as of June 30, 2019.

Return objective and risk parameters: The Organization's objective is to earn a respectable, long-term, risk-adjusted total rate of return to support the designated programs. The Organization recognizes and accepts that pursuing a respectable rate of return involves risk and potential volatility. The generation of current income will be a secondary consideration. The Organization targets a diversified asset allocation that places a greater emphasis on equity-based investments to achieve its long-term return objectives within prudent risk constraints. The Organization has established a policy portfolio, or normal asset allocation. While the policy portfolio can be adjusted from time to time, it is designed to serve for long-time horizons based upon long-term expected returns.

Greensboro Urban Ministry

Notes to Financial Statements

Note 7. Endowment Fund (Continued)

Strategies employed for achieving objectives: To satisfy its long-term rate-of-return objectives, the Organization relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). The Organization targets a diversified asset allocation that places a greater emphasis on equity-based investments to achieve its long-term return objectives within prudent risk constraints.

Spending policy and how the investment objectives relate to spending policy: The Organization will appropriate for expenditure in its annual budget a maximum of 5% of the prior year's ending market value of the endowment assets. There may be times when the Organization may opt not to take the maximum spending rate but rather reinvest some of the annual return. This spending rate is based on the long-term assumption of an average annual total return (net of fees) of at least 5% plus inflation.

Endowment net asset composition by type of fund, all with donor restrictions, as of June 30, 2019, is as follows:

Description	Corpus	Fair Value Over Corpus	Total
Undesignated:			
Bryan endowment	\$ 500,000	\$ 408,198	\$ 908,198
Snipes endowment	337,893	185,800	523,693
Stern endowment	10,000	4,811	14,811
Campbell endowment	5,000	875	5,875
Peterson endowment	100,000	24,480	124,480
Mullin endowment	52,158	12,625	64,783
Kaplan endowment	150,000	21,903	171,903
Designated, Food Bank and Potters House:			
Eagle Fund endowment	114,447	62,593	177,040
	<u>\$ 1,269,498</u>	<u>\$ 721,285</u>	<u>\$ 1,990,783</u>

Changes in endowment net assets, all with donor restrictions, for the fiscal year ended June 30, 2019, are as follows:

Description	Corpus	Fair Value Over Corpus	Total
Endowment net assets, July 1, 2018	\$ 1,269,498	\$ 760,266	\$ 2,029,764
Investment income (loss):			
Dividends	-	54,179	54,179
Net appreciation	-	6,664	6,664
Management fees	-	(25,260)	(25,260)
Total investment income	-	35,583	35,583
Contributions	-	-	-
Appropriations for expenditures	-	(74,564)	(74,564)
Endowment net assets, June 30, 2019	<u>\$ 1,269,498</u>	<u>\$ 721,285</u>	<u>\$ 1,990,783</u>

Note 8. Fair Value Measurements

GAAP establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under GAAP are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets at the measurement date.

Level 2: Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3: Unobservable inputs that reflect management's best estimate of what market participants would use in pricing the asset or liability at the measurement date.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is the description of the valuation methodologies used for assets measured at fair value subsequent to initial recognition. These methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Organization believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Beneficial interest in endowment: Fair value is the value of the organizational funds established with the Foundation for which the Foundation is obligated to use for the benefit of the Organization. The Foundation invests organizational funds in a diversified portfolio consisting of equity securities, fixed income securities and alternative investments. The Foundation provides the Organization with a value that is periodically adjusted for investment income allocations made by the Foundation.

The following table sets forth, by level within the fair value hierarchy, the Organization's assets measured at fair value subsequent to initial recognition on a recurring basis.

Description	Assets at Fair Value as of June 30, 2019			
	Level 1	Level 2	Level 3	Total
Beneficial interest in endowment	\$ -	\$ -	\$ 1,990,783	\$ 1,990,783

Note 9. Retirement Plan

The Organization has a defined contribution retirement plan covering all eligible employees. The Organization matches employee contributions up to a maximum of 3% of salaries. Total matching contributions were approximately \$25,200 for the year ended June 30, 2019.

Note 10. Rental Property

The Organization owns and leases two buildings under bargain lease agreements as follows:

A 9,270-square-foot building leased to Triad Adult and Pediatric Medicine, Inc., a nonprofit organization that provides medical and pharmaceutical needs to individuals. Lease payments are \$1 per year, and the lease term is one year with automatic renewals, unless terminated, for consecutive one-year terms beginning each October 1.

A 13,618-square-foot building leased to United Child Development Services, Inc., a nonprofit organization that provides child care and child development programs to the community. Lease payments are \$1 per year, and the lease term is one year with automatic renewals, unless terminated, for consecutive one-year terms beginning each May 1.

Rental income and expenses, presented net on the statement of activities, consist of the following for the year ended June 30, 2019:

Rental income	\$	1
Depreciation expense on rental buildings		(46,899)
Rental property expenses, net	<u>\$</u>	<u>(46,898)</u>

Note 11. Liquidity

The Organization regularly monitors liquidity required to meet its operating needs, grants and other commitments, while also striving to maximize the investment of its available funds. To achieve this, the Organization forecasts its future cash flows and monitors its liquidity on a monthly basis. In addition to the available financial assets, the Organization has a line of credit agreement of \$1,000,000 which can be drawn upon if the event of immediate liquidity needs.

The following table summarizes the Organization's financial assets for general expenditures within one year after June 30, 2019:

Financial assets:		
Cash	\$	3,439,958
Accounts and pledges receivable		11,755
Beneficial interest in endowment		1,990,783
		<u>5,442,496</u>
Less amounts not available to be used within one year:		
Donor restricted net assets		3,927,907
Financial assets available to meet general expenditures within one year	<u>\$</u>	<u>1,514,589</u>

The Organization has an endowment with a maximum annual spending limit equal to 5% of the prior year ending market value of the endowment assets, or approximately \$100,000 as of June 30, 2019, which is available within the next year.
